Church Family News

ALABASTER OFFERINGS: Typically received in September and February, fund the construction of buildings such as churches, hospitals, and schools on Nazarene mission fields. These offerings have been a part of Nazarene Missions International for over 70 years. This year, our church will take a trip down memory lane and take part in the old-fashioned way the Alabaster Offering had sometimes been collected. On Sunday, October 1st, those wishing to give their offering, cash/check, will participate in an Alabaster March, presenting their Alabaster box offering during the morning worship service. Alabaster boxes are available in the foyer. **Help to engage the world for Jesus by funding mission facilities throughout the world.**

PRAISE CHOIR PRACTICES: Praise Choir will be starting back up and practices will be starting soon. If you have not been a part of this and would like to join, please see Stephanie Ireland (812-304-0301).

TEACHER ENCOURAGEMENT TREATS: Are you interested in provided some snacks/food items for our East Gibson School Corporation teachers? This is a way to engage and be an encourager! Items are still needed and due **TODAY**. Items can be placed in the foyer. Please see Arielle Miller (812-550-0478) for more info.

Mission Focus

Italy became a nation after emerging as an economical, social, and politically democratic republic in 1946. The Church of the Nazarene officially began its work in this predominantly Roman Catholic country in 1948, yet has been slow to develop. The Church is not only present but purposeful in its effort to share the Good News of Jesus and spread the message of scriptural holiness. Presence is often only legitimized by buildings that represent intention to stay so Italy's Nazarenes are grateful for Alabaster funds that have helped to obtain most of their church buildings. Please pray for the Lord to intervene and provide solutions to resolve outstanding problems related to several church buildings, as well as wisdom and vision for future missionary works.
