Mission Focus

Alabaster is 75 years old and has had an incredible impact around the world as it connects with all ages in the local church. Some generations have used traditional Alabaster boxes and others have used clay pots, glass jars, or tin cans. Alabaster lays foundations that provide places where people worship, heal, and learn. Every time you participate in Alabaster giving, your contributions not only lay foundations, but you are engaged in enabling people to worship God, heal, and learn more of the goodness and grace of God! Please pray for the six regions of the Church of the Nazarene that must identify projects for Alabaster investments every year. We praise God for the continued effectiveness of Alabaster on every region where property needs are being met because you gave.
