**Mission Focus**

*Chile* is the longest north-south oriented country in the world, and home to 90% of the world's earthquakes and 75% of the world's volcanoes. It achieved democracy in 1990 after years of political upheaval and ideological shifts since gaining its independence from Spain (1818). The Church of the Nazarene began work in Chile in 1962, and over 34% of the population is under the age of 24. Pray for youth leadership, that the Lord will challenge young people for a missionary, pastoral, or ministerial calling.
