Mission Focus

The island nation of ***Papua New Guinea*** (PNG) is noted to be one of the world's most linguistically diverse nations, boasting 839 languages. The work of the Church of the Nazarene officially started in 1995. Ten of the 17 districts are accessible by road, and seven districts by air. The majority of the population has little educational background, though it is estimated that half of the population is under the age of 25. Pray for our church leaders, most of whom have basic education and are having difficulty coping with modern changes. Pray that God will call professional lay people into ministry. Continue to pray for Kudjip Nazarene Hospital, which needs more missionary doctors, medical supplies, and support.
