## Mission Focus

**Korea** was an independent kingdom prior to its being occupied in the early 20th century. The Peninsula achieved independence in 1945, and following World War II, a democratic government was adopted in the southern part of the Peninsula and a communist-style government in the north. After the Korean War in the mid-20th century, the Korean Peninsula was split along the 38th parallel. Almost 57% of the population does not know any religion. The Church of the Nazarene began its work in Korea in 1948. Pray for more opportunities for church in **South Korea**, as well as Korea Nazarene University (KNU) and for the significant influence it has throughout the country.
