EASTER EGGS/CANDY NEEDED: We are collecting empty or filled plastic eggs and bags of non-chocolate candy. If you are wanting to donate, please have them at church by March 24th. Please see Pastor Samantha with any questions.

PASTOR'S SPOUSE APPRECIATION MONTH: The pastor's spouse is the prayer warrior, encourager, and support behind the man/woman of God when he/she feels discouraged and defeated. Let's honor him/her and let them know that they are loved and appreciated for all they do to care for our pastors and his/her family so they can better focus on shepherding the flock God has entrusted to him/her!

THANK YOU: "I want to thank you all for the love & prayers this last month through the death of my mom (Ermadel Miller)! Her love for this church family was so deep. She talked of you often! Thank you for the donation of 5 Bible in her name! She would be honored by that! Much love to you all." - Joyce Virden

Mission Focus

Aboriginal Australians are considered the oldest known civilization on earth, and Southeast Asian settlers arrived in **Australia** centuries before Europeans arrived in the 17th century. From 1788 until 1823, the New South Wales colony (now Australia) was officially a penal colony and settled by thousands of British and Irish released convicts who had served their sentences and were "transported" there to populate the large territory. Numerous people groups have settled in Australia throughout its history, resulting in diverse cultural populations. The British and Australian governments passed the Australia Act in 1986 which removed any remaining legislative or legal power that the British government had over Australia, making it a fully independent country, yet it remains an active participant in the Commonwealth. While Christianity is the majority religion, over 30% of people make no faith claim. Like many places around the globe, relevancy is a continuing challenge. Many have negative attitudes toward Christians' perceived intolerance, and individualized spirituality without accountability is often preferred. Many denominations are in decline. The Church of the Nazarene established work in Australia in 1946 and has sought to live out the message of scriptural holiness as Christlike disciples in this diverse nation.
