When you place a name on the Memorial Roll, you only honor your special individual, but your \$75.00 will support health care for NMI missionaries. Mission Focus

The work of the Church of the Nazarene began officially in the United States in 1887, though the formal organization of the denomination occurred in 1908 with the merger of several likeminded holiness groups. As in many parts of the world, there is an ever-increasing secularization of society, and in the post-COVID world, the United States finds itself fragmenting politically, socially, and economically with many Americans feeling isolated between extremes. There is a renewed emphasis on evangelism, discipleship, and church planting. Whether congregational settings are large or small, people are looking for church communities committed to authenticity, open-hearted fellowship, and a sense of belonging. The message of Scriptural holiness is more relevant than ever, and it embraces and challenges all ages. It is never too early or too late to begin doing your part to pray for the lost, contribute to missions giving through the World Evangelism Fund or Alabaster, or become more active in changing your world in Jesus' Name.
