Mission Focus

Guatemala (Mesoamerica Region) is known as the place of origin for the Mayan civilization, which flourished there for the first millennium A.D. In 1821, it won its independence from Spain following three centuries of Spanish rule. In 1996, its government signed a peace agreement that ended a 36-year guerrilla war. Apart from the official language, Spanish, there are 21 Mayan languages commonly used. The work of the Church of the Nazarene began in Guatemala in 1904, making it the third-oldest Spanish mission of the Church of the Nazarene in the Western Hemisphere, after Cuba and Mexico. Pray that the growth of vibrant Christians in Guatemala will continue to increase. Currently, statistics report that from 2020 to 2023 there was an increase in this demographic from 42.8% to 46.1%. Praise God that in Guatemala, across its 15 districts, there is freedom to preach the Word of God. Pray for receptive hearts to hear the Good News of Jesus!
