**Mission Focus**

The Church of the Nazarene began its work in *Hungary* in 1996 (Eurasia Region). The first congregations met in homes or public halls. Congregants gave enthusiastically for others through Alabaster long before they were to receive Alabaster funds for buildings. Now, every Nazarene church in Hungary has been built, at least in part, by Alabaster giving from around the world. Communities have been transformed by the holy presence of God's people there. Churches stand in strategic places to bear witness to the mission of God being fulfilled, hopes being realized. Praise God for the passion for the lost that Alabaster helps to foster in congregations who give that others may receive funding for a building. May we all look for opportunities to sacrifice something in our lives so that through Alabaster, others may be blessed with a place to worship, heal, and learn!
