Mission Focus

Philippines-Micronesia Field (Asia-Pacific Region)

The Philippine Islands were a Spanish colony during the 16th century but were later ceded to the United States in 1898 following the Spanish-American War. In 1946, the Republic of the Philippines attained independence. The Federated States of Micronesia were under the control of the Portuguese, Spanish, German, and Japanese until 1947, when they were placed under U.S. administration as part of the Trust Territory of the Pacific Islands. The Church of the Nazarene entered the Philippines in 1946 and began work on several Micronesian islands beginning with Guam in 1971, and other areas (including Chuuk, Palau, Pohnpei, and Saipan) through 2000. There are over 35,000 church members across the Philippines-Micronesia Field. *Pray for those who minister across this wide and diverse field!*
