

## **Church Family Picture Directory**

Our last directory was created in 2019 and changes in our church family have occurred since then. It is time we have an updated directory and would love to include all of our church family. This will be a valuable resource to not only our staff but to you as well!

### **Information printed in Picture Directory (if allowed):**

- Family Photo
- Names of Individuals
- Address
- Cell Number(s) of Individual & Spouse (if applicable)
- Email of Individual & Spouse (if applicable)

You will receive one printed copy of this directory if you or your family is included in it. Your photos will be taken by photographers within our church family. We will provide the picture files for you to print yourself.

We have the following dates scheduled for photo sessions:
