**Mission Focus**

The *Mesoamerica Region* is comprised of many mainland and island nations, speaking Spanish, English, Dutch, and French, as well as Creole, which is spoken in Haiti. The Church of the Nazarene established work in countries like Cuba and Mexico (1902 and 1903 respectively) as the earliest mission fields across the region. New works have continued to emerge from the early 1930s, throughout the 1970s, and to the present. It is a tapestry of diverse and beautiful traditions and people groups. There is a passionate desire to see the Church of the Nazarene and the message of Scriptural Holiness grow and thrive there. Pray that Nazarenes in the Mesoamerica Region will remain united in being and making disciples in urban areas, with particular focus on children and youth.
