Mission Focus

The work of the Church of the Nazarene began officially in the United States in 1887, though not formally organized, until 1908 with the merger of several like-minded holiness groups. Alaska became the country's 49th state by official proclamation of President Dwight D. Eisenhower on January 3, 1959. The 29 organized and developing churches of the Alaska District have faithfully participated in the global mission of the Church of the Nazarene and its impact around the world through giving and prayer, is reflected in this story by Alaska District NMI President Kathy Wigginton, "We often approach conventions with a shortfall in our World Evangelism Fund goal. One year, we were over \$15,000 short. I shared the need and our history. Our district superintendent prayed. We passed the offering plates. After meticulously counting every penny, we had paid our World Evangelism Fund in full! It was a powerful testament to our collective strength and faith."
