**BREEZE CHURCH TEXTING SYSTEM:** Wireless carriers now require that a double opt-in occur before any texts are sent. This change with Breeze went into effect 10/23. If you were receiving texts from the church (87447) prior to 10/23 and are wanting to continue to receive texts and/or any kind of reminders from the church, you will have to go to that last text message and reply with "Yes" before any texts can be sent. If you deleted that text, you can send a message to 87447 with the word "Start", and you will receive future texts/reminders.
